Survey to help us better understand our members

AmeriHealth values the opportunity to learn more about our members so that we can better serve them. We can work toward achieving health equity when we look to better understand our members and addressing health disparities across the communities we serve. [FULL ARTICLE](#)

An easier way to submit Fixed Funding documents

For Fixed Funding plans with effective start dates of January 1, 2023 or later, we will be implementing a new process for certain post-sale document submissions. This process will use DocuSign, a tool that is a quick and convenient way to relay digital signatures. Please contact your account representative to learn more.
