## New York Paid Family Leave Guides and Claim Forms Now Available

The New York Paid Family Leave (PFL) employer and employee guides are now available to ensure you and your clients are fully informed about this new coverage. These guides, provided as convenient digital flipbooks, are easy to share with your clients.

### Employer Guide

The [employer guide](#) provides valuable information for employers about how to administer PFL benefits, including billing, claims and eligibility.

### Employee Guide

The [employee guide](#) details what PFL is, who qualifies, and how employees can use the coverage.

### Claims Forms

In addition to these resources, PFL claim forms are now available. Each leave type has a claim form and can be accessed through the links below. Refer to the employer and employee guides for information about how to file claims.
