## Download Your Updated ABCs of PFL Today

Hi Brian,

Thank you for downloading the ABCs of PFL. We hope they have been useful so far. As with all new regulation, insights and guidance evolve. So, to ensure you have the most current information regarding NY's Paid Family Leave, an [updated version](#) is now available!

Here are a few highlights:

- We've updated the out-of-state coverage section due to new guidance from NY State
- We've made the PFL rate explanation even clearer
- We've made the example of employee contributions easier to follow
- Along with many little tweaks throughout.

Get your updated version [here](#).

By the way: We anticipate another update to this document later this year once PFL claims information is clarified. Don't worry, we'll let you know once available.
